

# Membership Requirements

Anyone over **13** can become a member of Pacific Airways;

The best part is that it is entirely FREE. You should also have basic piloting skills (i.e., take-off, landing, etc.). To join the airline, click **“Sign Up,”** fill out the new pilot application form, follow the screens, select a Hub of your choice, and visit the homepage.

It is that easy. Flight Simulators like FS2020 / 24, or XPlane are required to become a pilot for **Pacific Airways.**
